### ***EDITOR'S NOTE - by Bill Gronbeck***

Hello and welcome to Newsletter No 298.

In this edition— A mixed bag of links, photos & aircraft for sale

**IMPORTANT DATE—The club AGM on Sunday the 18th March.**

Please contact me with your newsletter contributions on any of the following: (07) 4036 2868 or 0408 073 142 or by email at - [billgron@bigpond.com](mailto:billgron@bigpond.com)

*Readers comments (constructive) and suggestions regarding newsletter content are most welcome. Better still—write an article yourself on any aviation related subject that you consider will be of interest to other flyers.*

Watch the AAC's Facebook Page for details of short notice events. Check out the Website for the YATN weather-cam and older club newsletters.

## NOTICE

The **Atherton Aero Club** is now an ASIC Issuing Agent for **Aviation ID Australia**.

Those seeking the issue or renewal of an Aviation Security Identification Card (ASIC) should apply directly to **Aviation ID Australia** via the following link:

<https://aviationidaustralia.net.au/application.html>

Once the ASIC card has been approved the applicant will be advised and the required “face-to-face” identity check carried out locally by an Atherton Aero Club representative. On the satisfactory completion of the identity check the local agent will hand over the ASIC card to the applicant.

## AIRCRAFT FOR SALE AND WANTED

If you have, or know of, an aircraft for sale please contact me directly by telephone or email with full details. The AAC offers free advertising in the club newsletter as a service to local flyers. Direct emailing of your advert to aviators on the club mailing list is available should your advert be received after the publication cut-off date. *Bill Gronbeck, EDITOR.*

## INTERESTED IN BUILDING YOUR OWN AIRCRAFT?

The Sport Aircraft Association of Australia (SAAA) is an organization that has mentored and assisted many owner builders, for both VH and Ultralight registered aircraft.

## ***THE ADVENTURES OF DAVE***

Atherton lad Dave Keough recently commenced employment as a pilot with SkyWest Airlines in the USA. An extract from a recent email follows:

*“It certainly is full on congestion wise over here - Chicago is just plain crazy. My second landing in the jet was in Denver in the snow on a rather slippery runway! I did a 4 day trip with a check captain the other week and then have another 4 day starting Monday - could end up going anywhere in the States - on the first trip ended up in Winnipeg in Canada - minus 15° and that to go with it. Regards, Dave”*

Go Dave.

Not all hard slog though. Here are a few photos from a recent visit to The Smithsonian Institution, National Air and Space Museum taken from Dave’s Facebook page:

## **KEEPING UP YOUR PILOTING SKILLS WITHOUT BREAKING THE BANK**

The old problem, not enough money to fly as often we would like to.

A few suggestions that will help us maintain our piloting skills can be found in this excellent article by Rick Durden on the following AvWeb link:

**<https://www.avweb.com/news/features/Rusty-Pilot-Rehoning-Your-Skills-Economically-230256-1.html>**

A simple and often overlooked method of refreshing normal and emergency procedures is to sit in the cockpit (on the ground and without the engine running) and refer to the Aircraft Operating Handbook while practising the drills. The act of ***touching the relevant controls and switches*** reinforces the actions in our memory much more effectively than simply reading the drills. Doing this regularly will ensure a correct (and automatic) response when we are faced with a real emergency situation.

## **MOONEY PILOTS ASSOCIATION ANNUAL GENERAL MEETING, ATHERTON 24th to 28th MAY 2018**

AAC member Jane Errey has arranged for the Mooney Pilots Association to hold their next Annual General Meeting in the AAC's Atherton Facility.

There will be a Barbeque Dinner and drinks for the groups arrival on the evening of Thursday 24<sup>th</sup>. A Barbeque Breakfast will also be held at the AAC facility on Sunday 27<sup>th</sup> prior to the Mooney meeting on the same day.

During this time there will be a couple of club fundraisers for which we will need volunteers.

Further details closer to the date.

Our next **BBQ** will follow the Club ANNUAL GENERAL MEETING on the **18th of March 2018** commencing 10:30 am.

**Venue:** The Club's **STORAGE FACILITY**, Atherton Airport.

Visitors welcome. See you there.

And don't forget, our regular first Friday of the month **Movie & Pizza Night** at the Club's Atherton Facility.

## NORTH QUEENSLAND AERO CLUB NEWS & EVENTS

Remember this sweet little aircraft CRM? We cross hired her from Club members Ruth and Graham when we first opened the Mareeba base about 5 years ago, then they took her to Port Hedland where they were living. Well we have now purchased her and she is coming back to Mareeba!

Club member Steve Pinnell and his partner Vicky will be doing this ferry flight and it will be no easy feat at this time of year. They are hoping to depart Port Hedland late February and head north east for Broome and then across the NT to the Gulf and home to Mareeba. It may sound a little bonkers in Feb however the direct route is across the desert with very few landing strips or fuel simply wasn't an option. There is a lot more maintenance support and fuel stops along the tropical route and given the machine hasn't flown much in the last few years this was considered the best option. So our ferry pilot and his trusty co-pilot will take their time and take the weather one day at a time. Anyway, Steve will be posting the trip on the club FaceBook page, so stay tuned, an amazing adventure awaits!

## NORTH QUEENSLAND AERO CLUB NEWS & EVENTS

Listed below are the upcoming **theory courses for 2018**. This year we will be running them in Mareeba and in Cairns to try to assist in reducing the travel for our Cairns students. I highly recommend putting your name down for a course if you are doing your training or even if you are a long time out of flying and would like to get back in.

Please email back if you wish to put your name down for any courses.

We are also trying to secure some Electronic flight bag courses (**AVplan and Ozrunways**) for the year for those of you that already have licences. We will advise when we have further dates.
